The duties and responsibilities to be registered are more fully explained on form DD-4A, *EXPLANATION OF DUTIES TO REGISTER AS A SEX OFFENDER*. **If this form is being used for an original registration, be sure to also complete form DD-4A.** Applicable federal laws include the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act of 1994 (42 U.S. Code 14071), the Pam Lychner Sexual Offender Tracking and Identification Act of 1996 (42 U.S. Code 14072), and the Campus Sex Crimes Security Act (42 U.S. Code 14071).

You are required to provide all necessary information to accurately and fully complete this registration form (i.e., valid Michigan operator or chauffeur license or Michigan personal identification card with your digitized photograph and current address.) Other evidence of proof of residency may also be required (i.e., voter registration, utility bill, or other bill which includes your name and address.) Additional information for status at an institute of higher learning may include: a W-2 form, pay stub, written statement by employer, contract, or a student identification card and/or transcript. **Failure to sign this form is a misdemeanor.**

Within 10 days of changing residence, you must report in person to your local law enforcement agency, sheriff's department, or State Police post and provide your new address. **Failure to report a change of residence is a felony.**

If you are registered in another state or have been convicted of a comparable offense requiring registration in this state, you must register as a sex offender within 14 days. A student or employee who is domiciled or temporarily residing in this state for a period of 14 or more consecutive days or 30 or more days in a calendar year is required to register.

Ten days prior to changing residence to another state you must report in person to the nearest State Police post, and provide the city and state to which you are moving along with the complete address, if known. Upon moving to another state, you shall comply with all registration requirements of that state.

Effective January 1, 2000, all registered sex offenders shall maintain either a valid Michigan operator or chauffeur license or a Michigan personal identification card with your digitized photograph. The address on this card shall match the current address on the sex offender registry. This card or license must be used as proof of residence. Persons incarcerated shall report in person to the Secretary of State's office within 10 days after being released to have their digitized photograph taken.

Effective January 1, 2000, all registered sex offenders shall verify their address by reporting in person to their local law enforcement agency, sheriff's department, or State Police post, and provide proof of residency. Persons convicted of a **misdemeanor listed offense** shall verify in person between January 1 and January 15 of each year. Persons convicted of a **felony listed offense** shall verify in person during the first 15 days of each January, April, July, and October of each year.

An institute of higher learning includes all public or private community colleges, colleges, universities, public or private trade schools, vocational schools, and occupational schools. This includes all full and part-time students, full and part-time employees, contractual providers, employees of a contractual providers, and volunteers regardless of financial compensation, or receipt of any governmental or educational benefit.
